

Floyd County Fair

Exhibits Premium Booklet

Theme: Memories....Looking Back!

The Floyd County Fair was created as an extension celebrating more than 180 years of Floyd County history. The goal is to highlight Floyd's agriculture, both past and present, to recognize our history, and provide an opportunity for residents, visitors, and family to gether.

The Floyd County Fair is always held on the **second Saturday in September**. The event will be held at Floyd/Blue Ridge Parkway KOA, located 6 miles outside of Floyd. Many opportunities will be available for our county youth and adults to participate and exhibit their talents. A full day is being planned with exhibits, livestock shows, Agricultural Olympics, music, demonstrations, games and much more.

Exhibitions of Artwork, Crafts, Food, Garden Produce, Horticulture, Lego, Needlework, and Photography will be on display in the barn. Exhibitors from Floyd County and all surrounding counties are encouraged to showcase their talents.

You will find more information on our website www.floydcountyfair.com. The event's success is largely due to the community's support both before the event and on the day of the event.
